

## **Health Initiatives For Youth Health Education Facilitator Position**

Health Initiatives for Youth is a multicultural organization whose mission is to improve the health and well-being of underserved young people. Our four principles are Anti-Oppression, Youth Development, Harm Reduction, and Positive Sexuality!

We're looking for an enthusiastic facilitator committed to social justice, youth empowerment, and science-based health education. Our team is majority people of color rooted in the Bay, and dedicated to meeting young people where they're at.

### **Duties**

- Facilitate health workshops for SF Bay Area youth & youth-serving adults
- Collect data from participants and provide summary reports
- Develop and maintain relationships with agencies and schools
- Design educational materials and prepare for workshops with colleagues
- Travel to schools, other non-profit organizations & training venues
- **Workshop topics** include: mental health, sexual health, LGBTQ issues & how to work with queer and trans youth, harm reduction & substance use, anti-oppression, HIV prevention, STIs, safer sex, self-advocacy, peer education and leadership, body image and self-esteem, facilitation skills. **We will train you on these topics.**

### **Required Facilitator Qualifications:**

- Be an excellent communicator, verbally and in writing. Young people's person.
- Be open to a flexible schedule that involves some early or evening work
- Feel comfortable speaking with diverse groups of youth and adults about sensitive topics
- Be able to work in a small team environment with a high degree of independence and self-management
- Be a self-starter with excellent follow-through and organizational skills

### **Ideal Candidates may also have some of the following qualifications:**

- Bachelor's degree in a related field, close to graduating, or equivalent experience
- experience in community organizations with at risk youth in public settings: community organizations, schools, detention facilities, shelters, etc
- Some knowledge of anatomy, birth control, human sexuality, HIV and STI education and prevention, as well as sexual health education.

**Compensation:** \$20 to \$22/hr - **two part time (20 hrs/wk) positions are available**

### **Instructions:**

**Email resume and cover letter to: [helpdesk@hi4youth.org](mailto:helpdesk@hi4youth.org) Attn: Alexander Cotton**

**Minority students encouraged to apply.**
